

# Limited Edition Medal Aligned One Ounce Club Coin

We chose to do a variety of our 2024 Club Coin with a Medal Alignment rather than a Coin Alignment to make this Coin a little different from the 2024 version which was coin aligned. A limited number of pre-ordered coins will be available in January at the tournament.

*Available for Pre-Order to Club Members Only*
*Pre-Order Limit Two Coins Per Member*
*Cost is $75 per One Ounce .999 Fine Coin*
*Initial Order available January 2027*

*Price subject to Change After Initial Pre-Order*

** Please note the image above has black refection on the proof like silver backgrounds to show the detail and colors better**
