James Horvatic SS-1407

Candidate for SS Club President

Howdy Silver Strikers,

I hope everyone is doing well, staying healthy these days and enjoying the hobby of collecting Strikes! I was so glad to be able to attend the June tournament and see all those that made it as well. I am looking forward to the January event, the cooler weather and The Mermaid show!

For those of you that know me you have my sympathies, for those of you who don't, I am Jamie Horvatic and I have been a Silver Striker for several years now. A little about myself, After High School I served with the USMC and earned an honorable discharge. Since then I have been working as a skilled union member holding a Journeyman rating for over 30 years now. I have held elected and appointed positions at my local lodge serving my union brothers and sisters. I collect Silver Strikes, Vintage Illegal casino poker chips from my local area and U.S. Minted silver coins. I like to play poker, chess and Words with friends these days. Please feel free to ask a question or start a conversation to get to know me better as I would like to know more of the club members on a personal level.

So I would like to announce that I am running for President of the Club.

If the membership does elect me I will steer the club in a positive direction, do everything possible to increase membership and expand the usage of our digital presence. All of the while I will be consulting the membership, current and former Officers before making any changes or launching any new opportunities to benefit the Club and its members. I believe things are running really good right now and only minor tweaks to some areas could be implemented. Like possibly doing a limited series of Facebook live broadcasts for those members who are unable to attend the Vegas events.

With that said good luck to all of the candidates running in this election and I thank each one of you for stepping up to serve the Club Membership!

See you in January!

These are my pictures , words and compilation.
