

Forum Thursday, June 24, 2010 at South Point second floor Sonoma A at 4:00 p.m.

The Silver Strikers Club is happy to announce our guest speaker for this year's forum, Sean Sarr from Sunshine Mint in Henderson. Jenny Jenkins, and Mike Needam from Sunshine Mint, Coeur D' Alene, Idaho will also be in attendance.

Sean Sarr has been a great supporter of the silver strike program and began his business working with Anchor and then IGT. Sean was owner of Global Mint and is presently working with Sunshine Mint in the silver strike program.

Please plan on joining us this year for a very informative meeting as Sean goes from the start to the present of the silver strike program. There will be a question and answer session at the end of the program.
