www.fourqueens.com

To Our Silver Strike Family,

The Four Queens is in the process of changing its House Coins (Clear Caps) to a new design, which will be released during our January Silver Strike Slot Tournament with a little twist. There will be 4 new designs with the first 500 of each design being in COLOR. This means that for the tournament we will have:

1 – Quarter Pound Tournament Coin Design
1 - $300 Coin Design
1 - $10 RED CAP Design
4 - $10 BLUE CAP Design (clad)

After the first 500 of each design are made in COLOR (clad) the mint will only make them as Silver clad clear caps. We are trying to add a little more excitement to the hobby and provide you with what you have asked us for.
We can't wait to see all of you at the Silver Strike Slot Tournament on January 25-27, 2013.

Sincerely,
Shaun Webster
Director of Slots
