Howdy Silver Strikers

What a great time to be part of this hobby of collecting Silver Strikes. Things are moving in a positive direction and the future looks bright!

I want to say thanks to Shaun, Todd and the Four Queens for a great January event. With Shaun announcing the possibility of expanding the tournament format to include 196 spots and that part of the activities would be held at the Binion's Longhorn room to accommodate the larger group how exciting is that bit of news!

I for one was overjoyed to see and play the 2nd \$40 machine that was installed near the six pack of machines as I am sure all the members were as well. I was very lucky playing it and look forward to trying my luck on it again in June!

I am so glad that the Facebook pages are becoming so popular with many items posted getting huge numbers of views and comments, Our Club photographers trial Video of the June event was awesome and had hundreds of views, look for more like it in the future!

I hope to see each of you again in June on and off of the Strike machines.

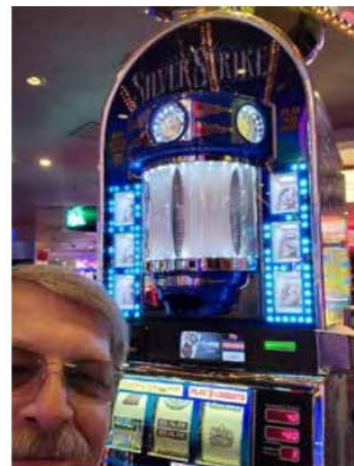

Ever Forward,

Message from the Editor

Wow, after 2+ years we finally made it back to Vegas. Our first trip back of course was to participate in the January Tournament. It was great to be able to see everyone in person again. While I finished 89th, my wife Lisa finished in the money at 17th place, our best finish ever so far. It was another sold out event. The program may be expanding as you have read in the Presidents message and will hear more of that in this issue.

Be sure to read this issue from beginning to end as there is important information throughout, we have lots information from the BOD. Much of it was mentioned at the AGM but alot members weren't at the tournament so you will get the information in here. We also need your help by voting for the SOTY and HOF.

Once again, if you have any topics or articles for the newsletter, please submit them to me. You don't have to be a writer or artist. I Just need the content and I will look after the layout. I can be reached by email at robb4640@outlook.com or by phone 519-577-7206 if you have any comments, concerns, questions or articles.

Happy Striking.

Howdy Fellow Silver Strikers!

Where has the time gone, one year ago I was sworn in as SSC president and had to wing my first annual meeting, This year I tried to be a bit more prepared and I hope those of you that were able to attend noticed the difference.

I would like to take this opportunity to say ***“Thank You”*** to Shaun, Todd and the 4Q's for another great event. Their staffs hospitality and personalities made for an extremely good time for all!

A big thanks also to all of the Club officers and members who helped out with the “chores” during the event, your contributions are always welcome.

Highlights of the Year 2022 in Review

The first two Board members Emeritus were inducted during the June Club event at the 4 Queens in Las Vegas.

Silver Strikers Club Newsletter - Issue #89

The CCA asked the SSC to present their SSOTY Award to the Plaza Hotel and Casino.

Silver Strikers Club SSOTY won by the 4 Queens Hotel and Casino.

The CCA provided the SSC a table at their June event for a membership drive.

The Club now has a storage unit located close to the Four Queens.

Jeff Lyon has been doing a great job in his role as Silver Strikers Club Photographer checkout his videos of the January Event on Facebook!

Annual Club Meeting with reports from the Board

The Club Historian Mike Hennessey gives a great presentation!

So I want to take a few minutes to touch on a few other items that changed during the past year;

There were several updates to the bylaws to clarify some items, correct typos and to enact an increase of the Annual membership dues from \$10 to \$15 per annum.

The launch of the Mentorship Program - this will allow members to learn about any Elected or Appointed position without taking full responsibility and with the goal of filling in if needed, leading finally to filling a Position full time. The Club needs to start getting the next generation of Silver Strikers involved so they can take over the "Reins" of the Club. The Club's future depends on it!

The New Member Information Package was prepared/ and approved by the BOD and Jim Quinn has it up on the website for viewing, this will hopefully help inform potential members who read it to see what we are all about and join the club.

I want to talk again about expanding the Club's digital footprint, as of today there are the StrikePoint BB and the Facebook pages, and these do bring in new people interested in the hobby and new members. Imagine if we were on one or two more platforms? So if there are members that are willing to start up a social media format and moderate it please contact me or one of the club officers.

Our Board Member emeritus Mary Lou Waterbury has been offered and accepted a table kindly provided by the CCA to the SSC for a membership drive at their June 2023 event at South Point Hotel and Casino. The SSC is very thankful for this opportunity provided by the CCA, this is the second year that the CCA has extended this most gracious courtesy and I for one am thankful for this new level of cooperation between the two clubs. If you are in Vegas during their event stop by and enjoy their dealer's wares and educational displays, then stop by the SSC table and say hello!

Don't forget to get one of few remaining 2022 Silver Striker Club Coins, as this is the main fund raiser for the Club. It would benefit the club greatly to sell out these few coins before the release of the 2023 coin. Contact Warren Schaefer at schaef86@yahoo.com to place your order.

Lastly, I ask for your ideas and suggestions for the betterment of the club and if you would like to help out and/or participate in the new Mentorship program please contact me at;

New Plaza Strikes

The Plaza Casino had ordered new strikes but due to production issues, they did not arrive when expected. They had actually run out of strikes from the last series and had to remove the machines from the casino floor on November 29, 2022. The new strikes arrived on January 25, 2023, just a couple days before the Tournament. The machines were put back on the floor and many of the members were able to go over to get the new strikes. Thanks to Casey and Jonathon for keeping the strike program going at the Plaza and we hope to see more new strikes in the future, colored and if we are really lucky maybe even a silver!!

Red Rock Casino Update

Usually one of my favorite things to do for the members of this group is to let you know when new strikes are coming out and when new casinos are added to the Silver Strike Program. Every now and then, I also have to be the bearer of bad news regarding Silver Strikes too. Today I share a little bad news that Red Rock Casino has decided to end their short run of \$10 silver strike program. When the current inventory of strikes is exhausted, both machines will be removed from the floor. That will likely be less than two weeks from now.

Rest assured there is nothing anybody in the group did that caused this, it's simply very difficult for a 25¢ slot machine to compete on the floor of a modern casino AND cage personnel are not particularly interested in reloading machines when they are out of strikes.

There are a number of new Las Vegas casinos currently being approached with designs and program details to expand the Silver Strike Program. It's a little setback for sure, but it was always a longshot keeping Red Rock. The great majority of their customers are locals who aren't as interested in souvenir coins. Most of Four Queens customers are tourists, it's the ideal place for Silver Strike Souvenir Coins. Shaun has perfected the formula and has been rewarded with a well deserved faithful following of Silver Strike Collectors.

Let's continue to support The Four Queens and The Plaza in Las Vegas and do what we can to keep the two New Mexico casinos (Sky City and Route 66) in the program. New casinos are in the works.... more on that later.

Treasurers Report - Carleton Lee

Hello Fellow Silver Strikers

January's slot Tournament was fun and great for the Clubs fundraising efforts.

As you all know the Four Queens hosts two slot tournaments each year and this is when the Silver Strikers Club holds our meetings and does our fundraising. There are a few ways that the Club generates income besides collecting dues. We create and sell a Club coin every year, we sell shirts with the Club logo on them, we hold raffles, and we hold an auction with items donated to the Club. For this event the Club purchased several Silver Strikes for the raffle, and we had several items donated for the Auction. I would like to personally thank Shaun Webster and the Four Queens for all their donations. I would like to also thank the Club Members who donated items to the raffle and Auction.

If you have a Silver Strike or other item, you would like to donate to the Club for a future fundraising event please let one of the Board members know. It saves the Club money on purchasing prizes.

Now for the Numbers:

Shirt Sales, \$288

Club Coin Sales, \$180

Cash Raffle 50/25/25, The Club sold 778 tickets for this raffle. Generating \$390 for the Club and two Club members winning \$194 each.

Prize Raffle, we raffled off some awesome Silver Strikes including the Rt 66 \$300 this time and ended up selling \$1147 in tickets.

Auction, these items went for a grand total of \$915.

All in all, the Club grossed \$2920.

These events were a huge success for the Club, and I am looking forward to doing it again this Summer.

If anyone is interested in helping sell raffle tickets in June please contact me, Thanks.

Thank You everyone for supporting the Silver Strikers Club

Interim appointment to Club Secretary

The board of directors is notifying the membership that Mr. Jeff Bitzer has tendered his resignation as Club Secretary effective 2 February, 2023.

At this time the BOD is asking for a volunteer to fill this important position for the remainder of the term of office until an elected member is sworn in at the January 2024 club meeting.

Filling this position now does not preclude you from being nominated or elected to this position or any other elected position in the upcoming elections in the fall of 2023 for the 2024-2025 term.

Please contact any board member if you are willing to help out by serving the SSC for the remainder of this term of office as Secretary of the Silver Strikers Club.

The Board of Directors wants to thank Mr. Jeff Bitzer for all of the years of dedication he has put into the Silver Strikers Club. His involvement in so many aspects of the club activities has made this club what it is today. Truly, without his perseverance and abilities during a series of critical times, the club may have failed to survive and for that each member owes him a debt of gratitude and a heartfelt thank you for his years of tireless service to the Silver Strikers Club.

Now on to some more club business. At the Annual General Meeting in January, President Jamie announced some bylaw changes and additions.

THE 19TH ANNUAL SILVER STRIKE TOURNAMENT JANUARY 27 - 29, 2023

The 19th Annual Silver Strike Tournament turned to be another great event. The 169 spots were filled long before the tournament day, in fact, after Shaun made the announcement in December, within the first two days the tournament was already half sold out!!

Now that we have had consecutive sold out tournaments, Shaun asked everyone what they thought of increasing the participant number from 169 to 196. Everyone seemed to be good with the idea with many asking questions about the prize structure. Shaun mentioned that the prize structure would be adjusted due to the increase in numbers. Also we have outgrown the room where we hold the meetings, banquet and awards ceremony. Shaun proposed that with the increase in participants, we would have to move those events across the road to the Four Queens sister property, Binions, as they have a much larger room to accomodate the increase in people. So stay tuned for June when Shaun officially releases the summer tournament information.

Since my last issue was after June 2022 tournament, we will get caught up on the Four Queens releases since then, here is the Halloween 2023 Strikes.

Now lets move ahead to what is coming. By the time you recieve this, they will already be in the machines.

New Board Position Created for Club Ambassador

For those of you who do not know me, I want to give you a quick introduction. I was first exposed to silver strikes on a visit to Las Vegas in the 1990's when I visited the Stratosphere after a long day at COMDEX. Later that trip I saw the same machine at The Mirage, and by the third time I saw one at MGM Grand, my interest was piqued. I played \$10 at MGM to no avail. I didn't attend COMDEX the next year, and didn't make it back to Las Vegas until 2006. I had picked up a few Strikes at a jewelry shop, so one of the things on my list of things to do was to look for Silver Strike machines. I went to all the places I had seen them before but couldn't find them anymore. That quick trip to Las Vegas was good for business, but not great for Silver Strikes. I returned in 2008 for business again but this time I was equipped with the knowledge gained from the Silver Strikers Club website. The Palms was my target. After finishing the business that my wife and I were in Vegas to do, we headed to the Palms on our last day. One machine was open, the three liner (which I believe is now at The Four Queens). My first hit after about 5 spins was a triple win. To make a long story short, we filled my wife's purse, exchanged 20 Ten Dollar Strikes for a \$200 from the cage (an extra Christmas Strike recently redeemed) and we were hooked. Most of our subsequent trips to Vegas revolved around where to play... and there were some grim days as machine after machine disappeared. I joined the Silver Strikers club and started attending the summer tournaments and Halloween releases. Our business keeps us from attending in January, but we have made many friends who keep us informed of all the activities. I am currently serving a newly created board position of Club Ambassador.

The primary duty of the Club Ambassador is ***to promote good will and interest in the Silver Strikers Club and the hobby of Silver Strike collecting.*** I noticed in 2014 that there was a very low participation rate in the StrikePoint, an affiliated Club bulletin board where club members could discuss issues of the day.

I took it upon myself to try to grow interest in our hobby by starting a Facebook Group. That group has grown to over 1700 members and our most recent post with the St. Patrick's Day release garnered over 1000 different member views in the first 24 hours, with about 40 replies. I would have never imagined there was such an interest in Silver Strikes. We spun off a second group for selling/buying/trading strikes shortly after. The news of the hobby was being combined with the commerce of the hobby and not everyone was interested in both. The Casino Silver Strikes for Sale group numbers around 1200 members today. Between the two groups, there are well over 2000 unique members. So although the Club Ambassador is a new position, I have been trying to promote the hobby and the club for much longer.

I have made an effort to keep in contact with the slot directors at the casinos who have machines, this goes all the way back to when Hal Welch was director at Sam's Town. Sam's Town had an open door policy for the management team, so I decided to test it. I walked in with the newly colorized 2011 Halloween Strikes that The Four Queens had just released and showed them to Hal. He was unaware such a thing existed and called Sean at Sunshine Mint and ordered a batch of colorized Muscle Cars on the spot. I had many great visits with Hal after that and helped him best I could with the colors. After his departure from Sam's Town to run all downtown operations for Boyd Gaming, he was succeeded by someone who we will just say was less than enthusiastic in the Strike Program. He continued the program though, adding a new Bald Eagle clear and a matching colorized Blue Cap in 2016. Later that year though, the machines were abruptly pulled. I tried the open door policy again to discover why. It was because of an abusive player who demanded the cage trade their strikes. It was at that point that I decided to become more involved in establishing a relationship with the bosses, to make sure no single bad incident could end the program.

This is another duty assigned to the ambassador, ***establish confidential relations with Casinos, manufactures, mints and other clubs to exchange information for the advancement and betterment of the Club and the hobby.***

Many of the discussions I am involved with are confidential, but whenever I get the okay from Casinos or the Manufacturers or designers, I will release the information to the club, another of the Ambassador duties is to ***make informational announcements on Social media, in the Club newsletters and if necessary in Club flyers as necessary to the membership.***

Along with a few other Board related activities, these are my primary functions. I have been lucky to have Jo Riefer and Jeff Bitzer help me with new concept design coins to try to add a number of Strip casinos back into the Silver Strike Program. Much time and effort is being spent to expand the hobby, it will require the support of the club members and collectors to keep the programs moving forward. Fortunately the Ambassador also ***has the ability to interface with commercial entities directly to foster new and existing relationships with the goal of producing a positive image of the Club and the hobby.***

I look forward to sharing lots of news about upcoming releases and new participants as soon as I am able. That, in a nutshell, is what your club Ambassador is.

The Year Was 2003 - 20 Years Ago

Excerpts from Issue #22 - March 2003

DID YOU HEAR?

Howdy's Illustrated Guide to Nevada Silver Strikes, 2nd edition, is to be issued by April 1, 2003.

IGT has removed the "hockey puck" strike delivery concept from the new silver strike machine.

There have been two casinos that have requested permission to use the Silver Strike logo on silver strikes to be issued at convention time.

New gaming regulations require that the minimum number of any "stated limited editions" of tokens (strikes) be 500. There may be a couple of exceptions to this do to approval timing, but from here on, no less than "500" to be stated on any strike.

Palms Casino is working on artwork for 4-\$10 strikes with Seattle Slew on them. They celebrate The Triple Crown, Kentucky Derby Belmont Stakes and The Preakness. There is to be a \$200 strike for this series.

FORTUNE BAY PATRIOTIC STRIKES

At the beginning of the year, Dennis Finn posted that the Fortune Bay Casino had a new set of patriotic strikes delivered to them. I spoke via emails and by phone with the Casino Manager, Mr. Terry Sandnas about when they might begin putting them into the hopper. Towards the end of January, my brother Brain and I made the 9-hour trek up to Fortune Bay, which is in Tower, MN. It's a very nice Native American casino in the "northwoods" of Minnesota, up near the Canadian border. Their new set consists of 5 different designs. It is a great looking set with a couple of new designs not seen on any of the Nevada patriotic issues. The casino has named the collection "America Will Not Forget-A Tribute to America's Heroes". According to Mr. Sandas, the Casino only minted 50 sets of these strikes. He said they are only putting a few of the new ones into each hopper fill. This could make this set very hard to come by. I did manage to get a couple of sets after playing through a couple hoppers.

Mr. Sandnas and everyone at the Casino was very friendly and helpful, which made our trip that much more enjoyable. On my next trip back I hope to take a picture of their Silver Strike Machine as it is a different kind than we are used to playing. It is a video reel type of slot machine and has a few different kinds of credit pays. I would like to thank Mr. Sandnas for the time he spent speaking with me about the history of their silver strikes. I would also like to thank Fortune Bay Resort Casino for putting a new set of strikes into play, which does not happen often, if at all, here in the Midwest. In case anyone is wondering, it was -17 up there when we went. The things we go through to get Silver Strikers.
