[Print](#) | [Close Window](#)**Subject:** info on these**From:** "Dennis Berry" <dsdt@netptc.net>**Date:** Tue, Dec 01, 2020 3:41 pm**To:** <Webmaster@silverstrikers.com>**Attach:** .999.jpg

Jim, it would help collectors if on this page you add the info that these are made of .999 silver. I have a friend, Jim Moser who is looking for a few and wanted to know about silver or not. So I took all five of mine from here and you can see the test results. You are welcome to add the picture to the web page as well if you like. Sure would help others know.

Dennis
